CHAIRMAN'S REPORT

In the position of Deputy Chairman at the beginning of the year, I did not expect to be writing the Chairman's report in the club's 80th anniversary year. As a result of the resignation of Ray Fellenberg, and with the support of the board, I undertook the Chairman's position. It would be remiss not to mention the contribution Ray has made to our club and many members are saddened by his departure. Thank you Ray for your untiring work. Also to Karen Gilfillan who also departed during the year, thank you for 11 years of loyal service. To Allan Cullen who stepped into the deputy chairman and house director role and to Don Collins for assisting Allan in the gaming portfolio, thank you also.

To fellow board members, Don Collins, Peter Johnson, Allan Cullen, Bruce McGregor, Brian Bottrell, Di Pickett, June O'Dea and Jenny Moore, it has been a pleasure working in such a positive environment. To section Presidents Bruce and Di, your section members can be fully confident you represented them in the most professional manner and always putting the club first.

The current board members and I have been aware for some time that board members, by necessity, had become too involved in the day to day management of the club. This is not a criticism but clearly a line of management was missing across our club organisation. This aspect was verified by the release of recommendations by a Human Resource Consulting company engaged to undertake a functional assessment of our club operations. As a result of the recommendations a club Secretary Manager was appointed to manage and lead the day to day functions within the club. In a short period of time Justin O'Donnell has excelled in introducing a new enthusiasm and a greater sense of direction in club hospitality and management. Initiatives to increase club patronage and cost saving measures will be continually introduced.

Whilst 2015 and 2016 were all about renovating and upgrading, The Board of Management primary objective at the start of 2017 was to increase our financial reserves with the Treasurer projecting a net profit around \$110,000. Our financial report indicates we were short of that goal. Further explanation of our financial results can be found in the Treasurer report. However, the following facts require explanation:

Greens Maintenance & Wages. As a result of past book-keeping practices wages and materials associated with both the greens, and greens surrounds were being recorded against Greens expenditure items. This has had the effect of inflating the real cost of maintaining greens this financial year as work and material associated with concreting the bank on the northern side of green 1, in addition to substantial costs of shade post replacement, soil testing, spear pump replacement, rink numbering, scoreboards, equipment repair and many other sundry expenses were expensed against the greens. The book-keeping process has been amended. Much is being said about the condition of our greens. The same story has been heard for some years now. I make no apologies by saying, our present Greenkeeper inherited significant problems, borne out by independent soil tests after taking the job on. The lack of rain during the last growing season was a further setback. I have every confidence that Trevor, Vince and Keith will restore the greens to pristine condition, if the elements are on their side. Please encourage their work.

Advertising. The increase in expenditure was a direct result of an increased focus on promoting our club against the many other social venues in our area. Our shows, particularly the Rock & Roll Saturday nights have been well patronised by locals and visitors and have put the club forward as a great place for quality entertainment. It is a little disappointing that more members do not support our entertainment nights. Let the Board know the type of entertainment you would support.

Catering. There is no doubt a successful Bistro is crucial for the club. As a consequence of the contract caterer deciding not to renew his contract, the club will now be running the bistro by the employment of a Head Chef, reporting to the Secretary/Manager. The Board of Management has discussed the advantages and financial aspects of this change and is confident that it is the correct move. The club wishes Steve Paul all the best for the future.

Rather than looking back, the future should be the important focus. In maintaining the benefits members enjoy, to name a few, low subscription and mat fees in comparison to other clubs, generous social bowlers prize money, club members discount and birthday drinks, interclub car travelling allowances, maintaining club championship prize money, free tea, coffee, peanuts etc, it is necessary to operate our clubhouse at hospitality best practice to achieve maximum profit. Bowler benefits can only be maintained if sufficient revenue is being received. Right now, we could cut expenditure by earlier closing of the club, reducing staff levels, reduce or eliminate live entertainment, cut advertising, reduce prize money, etc, but I am sure most members would not wish all of the above to happen. As stated, the future board will need to grow our revenue stream through increasing membership and increasing visitor numbers to our club in addition to finding other revenue streams. In August I attended a 'future of bowls forum' hosted by Bowls Australia. Messages from both the President and the CEO indicated the whole industry of sport was under pressure. Bowls Club membership is declining all over the world. The goal must be more people playing bowls with good social programs in place. Bowls Australia further indicated those clubs that are performing are doing so by changing from traditional methods to more innovative methods such as changing game formats, relaxing dress rules to attract younger people, increasing social participation in the sport by barefoot and corporate bowls days, utilising social media to attract more bowlers and visitors to their club and increasing the clubs social activities.

We are well placed to achieve all of the above if our future strategy includes:

- Well positioned advertising and promotion of our facilities
- Effective use of social media tools for promotion
- Setting of realistic budgets and sticking to them
- Attracting sponsorship. (A challenge when businesses are also reigning in expenditure and increasing their use of social media advertising)
- A structured process in securing available grants
- Strong and visionary Men's and Ladies Committees
- Excellent playing greens
- Retainment and recruitment of bowlers
- Supporting the Camels as a recruitment source of new bowlers
- Promoting Barefoot and Corporate bowls
- Reviewing members draws /poker machine promotions /raffles, to attract more patronage
- Modern looking and comfortable clubhouse facilities
- Excellent Bistro meals at the right price
- Switched on staff who work as a team and go the extra mile
- Positive members who are seen to enjoy our facilities and welcome visitors
- Quality and consistent entertainment that brings people back

The following area deserves particular mention.

Membership Fees. Fees have increased to keep abreast of the Bowls Australia fixed affiliation fee increase of 3% annually introduced in 2015 and based on our 2015/2016 membership levels. Affiliation fees by Bowls QLD and the GCTDBA bodies have also increased, however at the time of writing the increases are unconfirmed. We are mindful of the extra burden of parking fees for the bulk of our membership and our fees remain more than competitive with neighbouring clubs.

Congratulations to all bowlers selected to represent our club in inter club events. I know you all gave of your best. Also to Club Championship winners, well done.

To the reception staff Brigitte and Keira, bar manager Garry and staff, barefoot bowls co-ordinators, the many volunteers who sell raffle tickets, staff our games office, contribute to the ladies trading table, and the many other unseen tasks, thank you. Our maintenance man Don Bode, umpires, coaches also deserve a special commendation. A special mention to the gaming machine clearance teams. Due to the retirement of some members and a lack of volunteers to take their place for this function the clearances will now be undertaken by bar staff. Well done to the volunteers for many years of getting up before dawn and helping the club.

Our club was showcased in the best possible way during our 80th birthday celebrations in September. Nothing but positive comments have been received and I thank you the members, and our wonderful staff for making this possible.

There is every reason to feel confident that next year will be a more positive one for our finances providing major unplanned maintenance work is not incurred.

Good bowling to all and I trust you all enjoy the friendship and ambience our club provides. The club, "at the centre of the community".

TREASURERS REPORT

It is my privilege to present on behalf of the Board our Balance sheet and Financial Statements for the year. However, there is not much pleasure to have to report that we could only manage a Net Profit of \$15,386.50 for the year. \$82,556 less than last year, \$243,263 less than 2 years ago. Not a successful year.

When members assess this result it needs to be taken into consideration that this amount falls far short of the actual requirements to sustain a Capital Works programme to ensure the longevity of our fixed assets and the efficiency of their fitting, fixtures and ancillary equipment and the performance of our computer systems, cash registers, air con, our greens, and machinery, and gaming machines. A conservative estimate to meet this requirement is \$150,000 p.a. Apart from the desirability of a contribution to our Accumulated Cash Reserve to have funding readily available for future major club improvements.

The full details of our Balance Sheet are contained on Pages 18 & 19 of this report. Our Income and expenditure details are on Pages 15-24 (incl) and the Auditors Notes are contained on Pages 25-27 (incl).

Balance Sheet. Our Assets and Liabilities are set out in full detail, the main interest, or course, is our financial standing. Our total cash as at 30/09/2017 amounted to \$1,061,164 and after providing for our statutory and voluntary reserves, our working capital, cash floats there remains \$700,000 which represents our Accumulated Cash Reserve, compared to \$720,000 at the same time last year. We still have a substantial cash reserve with no out-standing loan/mortgage commitments. Our liabilities all have been updated to take into consideration the current situation. We have no "new" liabilities.

Income and Expenditure. Refer to Pages 15-17. our Trading Income for the year of \$1,020,010.74 Barely covers our Expenditure of \$1,004,624.24 leaving a Net Profit of \$15,386.50 As set out above. Why the decline? Our club has for the last 19 months, encountered severe opposition and competition from several Gaming, Liquor and Food outlets in our immediate locality, all competing for the same proverbial "Disposable Dollar". We have not coped very well with these changing conditions and adapted our methods of operation to cope.

Our income fell short of the Budget in regard to:
Bar Sales, Raffles, Gaming, Keno, and Sponsorship.

Our Expenditure reduction occurred mainly in regard to reduced Gaming Cheques pay out of by \$116,292 off set by increases due to Relief Staff, Audit, Advertising, Electricity, Gaming Points System, Insurance, Professional Fees, Council Rates and Wages.

Barefoot Bowlers showed increases Ladies and Mens Sections both returned a Net Profit, however, our statistics prove that our club can not survive on Bowls alone . We need to increase our Income from other activities.

Future Prospects. To continue with "more of the same" is no longer profitable and therefore not an option. In our current situation, we have to trade our way out of the present unsatisfactory situation. Changes need to be made to increase our Income, reduce our Expenditure and restore our profitability to that applying as recently as 2 years ago, let alone 10 years ago when our Net Profit was \$380,000 p.a.

It is with this situation in mind that the Board appointed a Secretary/Manager with vast experience in Club and Hospitality operation, a necessity in order to improve our "bottom line". It has been noted that an increase of 3% in our Income and a 3% reduction in our Expenses in the year ahead would produce a Net Profit of \$155,000. the minimum necessary to sustain our Club and has been the basis on which to complete next years Budget.

HOUSE REPORT

As Deputy Chairman over the last five months my involvement with the bar, entertainment, bistro and gaming operations has increased significantly.

The Board knows the bowling club has to have an active social side with responsibilities to our valued members and guests, we are always looking for ways to continue our service and to maintain the clubs viability. During this financial year the club has contributed \$71,095 in members entertainment, plus discounts and other benefits.

The Board have been working very hard in providing a safe and friendly environment for all members and are focused on improving and maintaining our facilities.

The club has been responsible for organizing many great shows with the full house sign up on several occasions and a lot of this has to do with our courteous front office staff and our competent bar staff. Congratulations to you all.

Significant contributors to the bar trading in the coming year will be the continued bare foot bowls program, and more daily entertainment, like the big fight day and the football finals.

Our 80th anniversary celebrations were a great advert for the club. Saturday started with 100 bowlers having an all day 5 a-side tournament with a Neil Diamond tribute show in the evening. Sunday the club held the more formal side of the anniversary with entertainment with several official guests, men's and ladies patrons, life members and members attended. All had a marvellous time.

The club will continue to remain focused on maintaining customer service and consistency across all areas of operation for the coming years.

I would like to thank the members for their continued support.

Allan Cullen
Deputy Chairman

CATERING REPORT

This year, once again, has been a challenge for our Club. Caterer Steve Paul has been kept busy in updating new ideas for his menus and maintaining the standard and competitive prices in order to match the current market.

The big fight held on Sunday 27th August at the Club was a great success with a complete sell out. The Bistro and the Bar worked together as a unit which contributed to the great success of the day, which in return, resulted in many appreciative comments being received - congratulation to all concerned.

The 80th birthday celebrations held on Saturday/Sunday 16th and 17th September respectively was another special milestone for our Club. Congratulation to all concerned for the great success that it was. A huge vote of thanks to Caterer Steve and his staff for their friendly and efficient service.

Director, Catering

GREEN'S REPORT 2017

This has been a difficult year for the greens, owing to insufficient use of fertilizers and chemicals over some years which has led to a poor state of greens. It is taking a long time to rectify this, at least 2 years. Lack of rain has contributed, town water does not bring the same result. We have also been invaded by Couch Mite and Ground Pearl. Treatment to control these has been expensive but we are slowly seeing results.

Renovations began on No.1 Green in September and hopefully No. 2 Green will begin in November. We very much hope that the greens will come back into a better condition than previous years.

I thank Vince and Keith for their enormous help and interest and also the volunteers who assisted in the renovations.

Trevor Crompton
Greens Keeper

GAMING REPORT FOR 2017

Gaming Committee:

Allan Cullen, Paul Hynes and Garry Potts.

Volunteer Clearance Team Members:

Rex Neilson, Graham Angus, Richard Nichols, Stephen McGaveston, Don Collins, Ian Black, Mick Boland, Terry Heyer, Clary Nash, Dave Fisher, Jeff Sutherland, Geoff Irwin, Peter Johnson, Brian Bottrell and Allan and Esther Cullen.

Summary:

For the year ending 30th September 2017 the gaming operations of our club has turned over a gross income of \$758,405 down slightly by \$9,983 on year 2016. This realized a net 51.5% Gaming Profit of \$468,722.

It has been another difficult year to raise a dollar with growing competition in the area.

This report, when read in conjunction with the Treasurers Report (Ref Club Assets and Gaming Expenditure) I feel we have achieved a positive result.

The purchase of the new multi denomination gaming machine, our Card-It system is working better with players adapting well to the technology and new increased gaming cash payout figures will hopefully improve our gaming operations for the up coming year. The club must continue in its additional spending in our gaming area to keep the club competitive within the locality.

This is the last year the machines will be cleared by volunteers and I would personally like to thank all the Volunteer Clearance Team members. Some of our team have given 15 years service and a lot of us have been at the job for 11 years. All have done a great job. A special thanks to our Club Administration staff for their on going support and guidance.

Allan Cullen
Chairman Gaming Committee

Note 7:

Note 7: Summary of Significant Accounting Policies

The financial report is a general purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporations Act*. The committee has determined that the association is not a reporting entity. The report has been prepared in accordance with the requirements of the *Associations Incorporation Act* and the following Australian Accounting Standards:

AASB 112:	Income Taxes
AASB 1031:	Materiality
AASB 110:	Events after the Balance Sheet date
AASB 117:	Leases

No other Australian Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Income Tax

The Burleigh Heads Bowls Club Inc. does not incur a liability for income tax due to an exemption under the *Income Tax Act*.

(b) Inventories

Inventories are measured at the lower of the cost and net realisable value.

(c) Property, Plant and Equipment

Property, plant and equipment are brought to account at cost or at independent or executive's valuation, less where applicable, any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by the Board to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

The depreciation rates used for each class of assets are:

<u>Class of Fixed Asset</u>	<u>Depreciation Period</u>
Buildings	15 years
Plant and equipment	3 years – 6 years

Burleigh Bowls Club Inc.
Notes to the Financial Statements
for the year ended 30 September 2017 cont.....

(d) Leases

Leases of fixed assets, where substantially all the risk and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the entities within the economic entity are classified as finance leases.

Finance leases are capitalised, recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual valued. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Burleigh Heads Bowls Club Inc. will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease incentives received under operating leases are recognised as a liability. Lease payments received reduced the liability.

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

(e) Employee Entitlements

Provision is made for the entity's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be paid later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Burleigh Heads Bowls Club Inc. to employee's superannuation funds and are charged as expenses when incurred.

Note 8: Investments

There were nine Term Investment Accounts operating with Westpac during the year:

SECRETARY'S ANNUAL REPORT 2017

Ladies, on behalf of your council I am pleased to present the Annual Report for 2017.

I would like to welcome any new members to our club and our best wishes go to those members who have either retired from bowling or have relocated to other clubs.

Our sympathy is also extended to those members of our club who have experienced bereavement in their families during the last twelve months.

Ladies Secretary Denise Lowe tendered her resignation in April 2017. The Ladies council requested that I take on the position of Ladies Secretary and on the 20th April I was officially appointed by the council for the position. Denise was appointed Secretary in 2012 and served BHBC very diligently for four and a half years. On behalf of all the members I would like to acknowledge Denise's hard work and thank her for her dedication and effort. Also I would personally like to thank Denise for all the help and time she has given me as there has been a lot to learn.

On behalf of the Burleigh Lady Members I would like to acknowledge the dedication and work of all those members who have served the club in an official capacity during the year. These include our President Diane Pickett, Vice President June O'Dea, Games Director Val Bourne, her Assistant Manager Margaret Huxley and our past Secretary Denise Lowe; also our committee members Raffle Convenor Maureen Hughes, Doreen La Pila and Jane Gabriel. A big thank you to our selectors, umpires and coaches. Also thanks to all the members who unofficially volunteer their time and effort; without your contribution our club cannot function. The ladies who make all the cakes for our special days are wonderful.

Many thanks and appreciation to those ladies who serve the Trading table; to the ladies who donate, cook and sew; the table would not be a success without you. This year the Craft and Charity Trading Table were once again able to make a substantial donation of \$3000 to the Blue Care Nurses for their community work and a \$2000 donation to The Children's Brain Tumour Unit at the Oncology Department of the Lady Cilento Hospital in Brisbane. In addition to donating to these worthy causes they sponsored 3 ladies playing days plus our Birthday and Christmas Luncheons. The Trading Table has been operating since 1937 and I think everyone would agree a mighty effort by all involved.

I would like to personally thank the employees of the Burleigh Heads Bowls Club who have assisted generously and efficiently whenever I asked; their efforts have helped me greatly. Also thanks to President Diane for guiding me through many issues that have arisen. The Ladies council has been very helpful and great to work with. I have felt most welcome.

As your delegate to the GCTDLBA and accompanied by fellow delegate Vice President June O'Dea, it has been our privilege to represent our club at the district monthly meetings. I extend my thanks to the district lady members for providing us with support and feedback on GCTDLBA issues.

Also thank you to all our sponsors, new and continuing, for their valuable support throughout the year.

To all our lady members, I wish you all great bowling and good health for 2018.

SELECTORS REPORT

This year was a very exciting Pennant season with our fourth and fifth divisions being the runners up in both finals. Congratulations to all our ladies and a special thanks to the ladies who filled in for the final game. It is rather concerning at the present moment as the Gold Coast District have decided to hold Pennant games on Saturday mornings next season. This decision no doubt will have an effect on our Saturday morning social ladies game.

My thanks must go out to our team of Selectors namely Lara Wright, Donna Jenkins, Kay Hodges and Yvonne Haley. We tried to meet each week during Pennant and I am sure it must be agreed our team did the best we could when our ladies were laid up with the flu etc. this year.

A special thanks must go to Carolyn Fisher, our overall Pennant manager for all her dedicated work in recording and sending off results each week. Thank you to Jane Gabriel, Pam Cook and Carolyn for their continued weekly managing of our three divisions. Thanks also to Col for helping out one week.

Thank you also goes to our weekly helpers in the games office. Ladies never need reminding when their roster day is due which is a wonderful help to all.

Thank you all, for your help during this year.

Good health and good bowling.

Dorothy Hanlon
Chair Ladies Selectors

COACHING REPORT

This year we only had the pleasure of coaching five new bowlers. Of this number only two continued on to become full Burleigh Bowls members despite multiple sessions where the coach met with the aspiring bowler who for various reasons of their own decided "bowling was not for them". This could be a reflection of our overall problem of declining numbers and it is suggested that during the next Gold Coast Seniors Week in 2018 we stage a "Learn to Bowl" event.

The coaches would like to request that members, who have the best of intentions, do not tell new bowlers what they are doing wrong. Rather suggest the new bowler talk to either Hazel or Norma, who would have coached them in the first place and are qualified to do so. It can be very confusing when one is the recipient of differing advice.

Unfortunately this year neither the men's club coached nor the ladies club coaches make coaching skill sessions available to established bowlers. This was mainly due to the fact that previous organized skill-based coaching sessions were poorly attended. It is left to individuals to contact one of our coaches if they would like a one-on-one session or a program they can follow. We have effective resources. All you have to do is ask. Remember the more you practice the luckier you become.

Wishing you all a very lucky bowling year in 2018.

Norma Herbertson
Coaching Chairwoman

UMPIRES REPORT

I wish to thank umpires June O'Dea and Hazel Easton and Measurers, Jocelyn Cheshire and Kerry Stothard who have given up their time and made themselves available for the ladies Championship events, Pennants and the Australian Open during 2017. Thanks also to the men's umpires who assisted with out Pennant games at Burleigh.

Four of our ladies will attend the Umpire Training Course being held in October and they will provide a much needed boost to our members.

Wishing everyone a happy bowling year ahead.

Kay Hodges
Umpires Chairwoman

MENS PRESIDENT'S REPORT – 2017

It is my pleasure to present the 80th report for Burleigh Bowls Club. The year has been full of activities.

Nothing would have been achieved without the dedication and enthusiasm that was forthcoming from the men's council.

My personal gratitude is extended to; Vice President Jim Wadling, Secretary Brian Bottrell and Councillors Bob Marin, Peter Hamilton, John Hughes and Vince Sullivan.

To organise and run the games office every week requires a lot of skill and patience and a big thank you is extended to Graham Absalom, Graham Angus and Allan Cullen, a job well done.

We commenced the year on very high note, winning two sections of the Premier 7s, Division one and the Over 60s. Congratulations to our players a sterling effort. Credit should also be given to our selection committee. Regrettably this good fortune did not extend to the Pennant season when Burleigh was unable to feature in a final but the foundations have been laid to improve next year.

The Burleigh Classic continued to be a success well organised and run by Bob Marin and his team of helpers. A thank you to Lady President Di Pickett and her committee for morning tea each day.

Sectional play for the Australian Open was held on our greens, Jim Wadling did a great job as co-ordinator.

It is no mean feat to organise our many championship games during the year and full marks must be given to Vince Sullivan and his match committee for ensuring that all games run on time and to schedule by necessity these events also require umpires and a special thank you is extended to them. Congratulations to all finalist, particularly Alex Hyde for becoming the clubs 80th Singles Champion.

Our club coach Ron Alexander must be recognised for his time and effort to teach our new bowlers how to bowl and explain the ethics of the game itself. Ron's coaching ability was rewarded with Jake Fehlberg being crowned the Australian Champion for the Division Disabled. Ron coached Jake for 11 years.

Under avers conditions our green keepers Trevor Crompton, Vince Sullivan and Keith Murphy must be applauded for presenting the playing surface of our greens in the best possible way every week. Thank you to the many members that assisted with the green renovations during the year. With our club being in such a prominent position the surrounds always look picture perfect.

Members enjoy the fellowship of the Camels and the many visiting teams they attract on a Sunday, coupled with the Barefoot bowls, the club benefits greatly each weekend.

On the social side, I must congratulate Steve and Gail McGaveston for conducting our club raffle every Friday evening for the past 11 years, their dedication is much appreciated. As is other members that assisted on Wednesday, Friday and Saturday, capably organised by Jim Wadling.

President and Presentation Day was very well attended, nice to see so many members enjoy the club selected bowls and acknowledge our champions.

Our 80th Birthday celebrations started on the Saturday with a mixed game of 5 a side. This new format was introduced by Brian Bottrell, cleverly run by Peter Hamilton and enjoyed by all who made the comment that we should run 2 of these events each year.

On the Sunday we had a magnificent afternoon, the club was bursting at the seams and the entertainment was fabulous.

I am most grateful to our Bar, Office and Bistro staff for their co-operation and contribution towards another successful year at Burleigh Bowls Club.

In conclusion I thank our Chairman Paul Hynes and his Board for their co-operation to ensure that the Mens section is given every opportunity to run smoothly. No doubt the appointment of Justin O'Donnell as Secretary Manager will further enhance that position.

It has been my honour and privilege to be your President for this 80th year. I wish the club continued success.

Bruce McGregor
Mens President

SECRETARY'S REPORT

Members,

Since the Men's Section AGM in December 2016 there have been 10 meetings of the Men's Council. Attendance is as follows:

Bruce McGregor	9	
Jim Wadling	10	
Brian Bottrell	10	
Bob Marin	10	
John Hughes	6	
Barry Senhenn	4	(due to personal reasons Barry resigned in April)
Peter Hamilton	4	(Peter was invited to fill the vacancy)

The membership of the Men's Section has declined minimally from last year to 319 (345). A great sign that the membership of Burleigh is remaining strong where other clubs are having a significant decline in numbers.

On behalf of the Men's Council I'd like to extend our sympathy to members who have suffered bereavement during the year. I also extend condolences to the family and friends of Basil Caldicott, Laurie Stothard and Emmanuel Axarlis who all passed away during the year. Their presence is sadly missed.

I'd like to acknowledge all the members who volunteer their time throughout the year to help make this club, in my opinion, the best on the Gold Coast. Whether it be working in the Games Office, selling Raffle tickets, helping around the Greens, doing Poker Machine clearances, Umpiring or Managing sides, your help is appreciated.

Congratulations to the 2 teams that won their Division in Premier 7's. It was a great effort for our first time in the competition. I look forward to the 2018 season of this competition.

Unfortunately, for the first time in a long time we had no Burleigh sides in the Pennant finals. I'm sure we can do better next year.

What a great weekend was had by all who attended the 80th Anniversary Bowls Day and Celebration. I can't think of how it could have been any better. Thanks to Peter Hamilton and Phil Westlake who helped out in the Games Office for the 80th Bowls Day and Linda Buatava for selling raffle tickets.

Thanks to all the staff in the Office, Bistro and Bar for your continued efforts throughout the year which help make Burleigh Bowls such a friendly place to visit.

Thanks to my fellow Councillors for their help and support throughout this year.

And finally welcome to Justin O'Donnell, our new Secretary Manager. It's great to have someone with such enthusiasm and many fresh ideas to help the Club grow and prosper.

Brian Bottrell
Hon Secretary

GAMES DIRECTORS REPORT 2017

We have completed our 2017 year of competitions except for the mixed fours which will be completed prior to the AGM. The results of all these games appear elsewhere in this annual report. Congratulations to all these winners.

Our local bowling numbers are dropping slowly as our figures show. The number of winter visitors was down only marginally on the previous couple of years. Our busiest month was in July when we had 1596 bowlers on the greens.

I would like to express my appreciation to all the helpers who assist in the running of the office. These people include Graham Absalom, Graham Angus, Bob Marin, John Hughes and Allan Cullen.

I must also congratulate the players who, on the first year into the Premier Sevens came away being State winners in Division One and also the Over Sixties. Well done to all those who completed.

Vince Sullivan
Games Director

Selectors Report 2017

This year the decision was taken by the Men's Council to enter the Premier 7's competition rather than enter Super challenge which seems to be in decline. Burleigh entered 2 sides in division 1, 1 side in 60+ Division and a side in Division 4.

We managed to make the finals in Division 1 and 60+. In 2 thrilling finals Burleigh was victorious in both. A great effort for our first year in. Looking forward to 2108 we're hoping to do even better.

Unfortunately we weren't as successful in Pennant in 2017 as we have been in previous years with no Burleigh sides in any finals. Hopefully we'll do better in 2018.

I'd just like to mention the outstanding achievements of Jake Fehlberg over the past year winning a stack of Gold Medals in different events. Keep your fingers crossed that he'll make it into the Commonwealth Games squad for 2018. An outstanding achievement so far Jake.

See you on the greens.
