Message from the Chairman

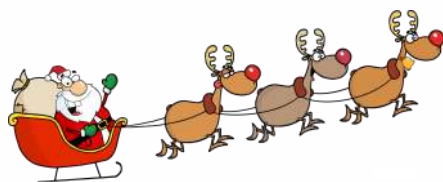

Well the curtain has come down on another year and its time to get ready for Christmas. I have no doubt you are all looking forward to those countless hours of shopping bliss - especially the men folk.

On behalf of all the members of the club, I would like to take this opportunity to personally thank Faye Groom for more than a decade of loyal and dedicated service.

My sincere thanks go out to all members of the Club for the support you have shown the Board members and on their behalf I would like to wish each and every one of you a truly wondrous Christmas and Happy New Year and I look forward to catching up with you in the new year.

Finally, I would like to welcome our new receptionist/administration assistant, Keira.

Card Club News

We concluded our latest tournament on the 26th October. After another "Cliff hanger" finish results were:

Winner	Faye Kelly	12 Points
Runner Up	Barbara Hartnett	11 Points
Equal Third	Kaywin Green	10 Points
	Jean Bothwick	10 Points

Another 7 players were tied on 9 points.
The consolation prize went to Pamela Brown.

Once again the final result was in the balance right up to the last game. We introduced a draw for the partners system sometime back and it has proved to be a great success, in as much as to the spreading of the winners of our competitions.

We have 8 different members sharing the last two tournaments. Previously when we selected our own partners, the same members were winning most of the time. We have booked our Christmas party at the club bistro for the 7th December 2015. Our members look forward to enjoying this day. A reminder that cards are played 2 days a week.

Monday is comp day - drawn partners. Commences at 12:30pm and ceases at 4pm.
Thursday "friendly" game - arrange own partners. Commences at 1pm and ceases at 4pm.
Cost of \$2 per day covers the game, biscuits and tea/coffee throughout the afternoon until 4pm. We have on average 24 players on Monday and 16 players on Thursday.
Once again we welcome and invite new members to join and enjoy our friendly club.

Coaching Notes by Ron

This month I would like to talk about the use of the mat. Most players were taught to place their feet in the middle of the mat, with toes pointing along the intended delivery line, i.e. toward the shoulder point of delivery, although many players have never followed this advice, so that at a later stage, they can shift around on the mat to better get around or under blocking bowls.

OK so how do we do this: there are three ways to come around or under a bowl you feel is on your delivery line. (Provided you use the same aiming line i.e. foot position on the mat.)

To come around a bowl. Take your stance on the mat, then move forward three to four inches, this puts the shoulder of the green a little further ahead which will allow your bowl to come around the obstructing bowl.

To come under a bowl. This is the same principle only you move back those three or four inches on the mat.

The second way to come around a bowl. Take your stance as usual on the centre line of the mat then move to the left of the mat, (right hand bowlers, right for lefties) this will increase the angle allowing your bowl to come around the opponents bowl. Remember the rules say you must have one foot completely on or over the mat at point of delivery so make sure you don't step off the side of the mat.

To come under a bowl. Same principle but move to the other side of the mat, i.e. right for right handers and left for left handers

The third way to achieve the same result. If you prefer and you are completely confident in your own drawing ability, is to take a little more or a little less grass, provided. You must take care with this method as it is easy to also put on a little weight and inadvertently pick up the jack and go down some.

Set up a head with a spare set of bowls and try out the approaches to a common problem to see what suits your delivery style.

I would also like to wish all the members a very Happy Christmas time and hope you all enjoy yourselves and stay safe.

Good bowling and enjoy!
Ron

Lady Presidents Report

As 2015 comes to an end I would like to thank all members and friends who have supported me during the year. It has been a privilege to have served as president but it wouldn't have been possible without the help of our committee, the appointed sections and the craft and charity table ladies who have all worked very hard for the benefit of our members.

We all enjoyed the visit from Cabarita ladies club on the 19th November and it is hoped that we can reciprocate and organise a return visit next year. I would like to wish our incoming president Esther Cullen and her committee a happy and successful year.

Enjoy your break ladies, have a happy and peaceful Christmas and I look forward to seeing you all on the greens in 2016

Best wishes to you all.

Craft and Charity Table Blue Care

The Burleigh Heads Bowls Club Craft and Charity Table have been donating to Blue Care Nurses for over 30 years and this week we had reason to use them.

Instead of my mum staying in the Gold Coast Hospital for 10 days the Doctors organised a PICC Catheter in her arm and Kelly our Blue Nurse Organiser there made arrangements for Blue Care to come everyday and administer the antibiotics and also arranged for Physiotherapy, all in the comfort of her own home. They rang everyday to confirm the time they would come and we had a 24 hour number (which we used) if anything worried us. They were amazing!

When you experience their care it makes all those years of contributions from my mum as well as many others to the Craft and Charity Table and our yearly donations from this to Blue Care so worthwhile.

Thankyou Craft and Charity Table and Thankyou Blue Care.

Dec 2015 Christmas Edition

Merry Christmas!

Well it's that time of year again and from a Camels point of view it has been a great year with record numbers of new members, ensuring every home and away game was a full house. This year we broke new ground and introduced a new trip to Nimbin, which turned out to be a cracker,

next year there is talk of an overnight stay in Nimbin and if it does eventuate the bus is sure to be packed!

We kicked off the year with the introduction of our new polo shirts which went down a treat and each and every club we visited this year made positive comments on how good they looked! There were many highlights throughout 2015 and as always our away trips proved more popular than ever! And whilst on the subject a big thanks to Billy our bus driver, Bill gives up plenty to drive us to away games as we all know he enjoys a beer so from all of us thank you Billy you're a true Camel! Make sure everyone shouts him a beer at the Christmas party to show your appreciation!

With such a big member list we are never short of players particularly for home games and this was evident recently on our sponsor's day on Oct 25th. A big thanks to Rapid Couriers and Laurie Cook! We had a big roll up of 42 players turn out for a great day!

Our next home game was against our old rivals the Prawn's from Evans Head. These games bring out the best in both teams with plenty of good banter going on between the two teams! The good

news is the Camels prevailed on the day winning 4 rinks to 2. That means we have now beaten the Prawns on their home dung hill and our own! A highlight of the day was watching the Evans boys turn on one of their own when old Jimmy had his stickers put on back to front! When his bowl went down as a wrong bias you would have thought someone stole his last dollar!

Another aspect of 2015 that was particularly pleasing was the amount of regular club bowlers now playing with the Camels so welcome guys!

Class of 2014 showing off the new polo's! With any luck Cam will not have to baby sit anyone this year and make the 2015 photo call!

As the year for the Camels comes to a close with only a few games left in December it will be the end of an era for one very proud Camel big Wally Kitching! Wally has decided to call it a day as President and whilst he will still be amongst us as a regular bowler a lot of people will be sad to see the big fella step aside! We all owe Wally a debt of gratitude, some of us would not be even members of the club if it hadn't been for Wally's passionate recruiting of new members!

Well done Wally you should be very proud of your tenor as President, the social bowls club has grown into a solid group of regular bowlers, some of whom are

now representing the club in tournament bowls!

We would like to wish all club members a fantastic Christmas and a wonderful new year! To all fellow Camels we look forward to our Christmas party coming up, a day that is sure to be a cracker!

Merry Christmas to all from the Camels!

MENS MANOR

ROLL UP

It was coming up to Christmas and the Judge was in a jolly frame of mind.

"Now then, please tell me, what is the charge against you?"

"I was caught doing my Christmas shopping very early," replied the man in the dock. "That doesn't seem like an offence to me. What do you mean by 'very early'?" "Well, your Honour," said the defendant, "It was before the shop was open."

Two young boys were spending the night at their grandparents. At bedtime, the two boys knelt beside their beds to say their prayers when the youngest one began praying at the top of his lungs.

"I PRAY FOR A NEW BICYCLE...

I PRAY FOR A NEW PLAYSTATION...

I PRAY FOR A NEW DVD PLAYER.."

His older brother leaned over and nudged the younger brother and said, "Why are you shouting your prayers? God isn't deaf." To which the little brother replied, "No, but Gramma is!"

OK! YES! I WENT TO MY OLD GIRLFRIEND'S HOUSE LAST NIGHT! IT'S MY JOB!

Three men died on Christmas Eve and were met by Saint Peter at the pearly gates. "In honour of this holy season," Saint Peter said, "You must each possess something that symbolizes Christmas to get into heaven."

The first man fumbled through his pockets and pulled out a lighter. He flicked it on. "It represents a candle," he said.

"You may pass through the pearly gates," Saint Peter said.

The second man reached into his pocket and pulled out a set of keys. He shook them and said, "They're bells." Saint Peter said, "You may pass through the pearly gates."

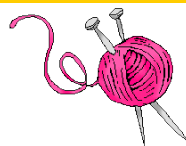

The third man started searching desperately through his pockets and finally pulled out a pair of women's glasses.

St. Peter looked at the man with a raised eyebrow and asked, "And just what do those symbolize?"

The man replied, "They're Carol's."

Christmas Crackers

What you need

- A4-size paper (this can be any type of thin paper similar to wrapping paper)
- Glue gun, glue or Sellotape
- A kitchen roll/toilet rolls
- String or shoelace

- A snap
- Decorations
- Gifts, novelty toys or jokes

Method

1. Divide the A4-size paper into three by scoring it lightly. Cut up the kitchen-roll barrel into three parts, ensuring that one piece is slightly larger than the others. This will form the central part of the cracker

2. Tape or glue the snap, only sticking the ends to the paper to make sure it'll snap. Place the three parts of the barrel in the centre of each section of the paper

3. Using a tight grip and rolling away from yourself, roll the paper onto the barrel, tucking in the edges neatly. Then glue or tape the seam of the cracker

4. Using a piece of string, tie around the paper at the ends of the central section in the paper to create a neck at either end of the cracker (not too tight you that you can't put the gifts inside)

5. Add gifts to the cracker by dropping them carefully into one end. Personalise your crackers by adding decorations such as bows and Ribbons
