Message from the Chairman

Burleigh Classic Bowls Carnival

The Burleigh Classic Bowls carnival played over 3 days from the 6th to the 8th June was a resounding success and on behalf of the members I wish to congratulate our Men's President Peter Hamilton and his team of volunteers for conducting an extremely well organised event. Thanks also go to Jack Mathews, Bob Marin and Jessica Shepherd for making this event possible and Vince Sullivan and Graeme Shillington for the outstanding presentation of our greens.

Shade Supports

My thanks also go to our Greens Supervisor Vince Sullivan, Bob Hynes and their volunteers who replaced the shade supports and cleaned up the ditch surrounds of the greens.

A special thankyou goes out to Vince Sullivan for minimising the storm damage to our newly installed shade supports during the storm that occurred on Thursday 11th June. He battled fierce wind and driving rain in order to secure the shade cloths. Well done Vince.

Club Carpet

The carpet was finally laid on Monday night 8th June. The removal and replacement of the club furniture was carried out by Tony Duncan, Luke Gavranov, Brigitte Neiberl, Leesa's catering staff and other willing volunteers, thank you all. The laying of the carpet completed the renovation of the club interior and I'm confident that all our members will appreciate the 'new look' of our club house. Over the next few weeks there will be some stretching of the Axminster carpet but this is part of the process.

Resignation of our Caterer

Leesa Hammond, proprietor of Salt and Peppers on the Green resigned on 1st June. Leesa has been our club caterer for the past 5 years and on behalf of our members, the Board of Management thank Leesa and her entire staff for the good service they have provided and we wish them every success in their new venture.

Our New Caterer

We have recruited a new highly qualified head chef, Steve Paul to be our Club caterer. I'm sure Steve will delight with his new menu, which can be found on page 4 of this Greens Gossip.

XXXX Sign

Footing was placed Monday and Tuesday the 21st and 22nd June. The sign is due to be completed Tuesday the 7th of July. At which time Staff will be trained on how to input information.

Coaching Notes by Ron

Pennant season is here!!! I hope you are all training hard, not just relying on match play, but also playing those shots you need to be able to play with confidence and precision. You need to focus on your delivery, if you get line and weight right you will finish in the spot you aimed to be. Have a good understanding of your position in the team, if you are new to pennant, chances are you will not have been in a 4's game before. I have copies of coaching notes setting out the duties of each position so grab one off me. Don't question the skip on her/his choice of shot, it is the skip's responsibility to build a head to win shots and prevent going down in big numbers, so play the shot asked. When you walk to the head you will probably be able to see why it was needed, it always looks different from the mat. Don't attack the jack, unless asked to, but rather draw to a position 100-200mm(4-8inches) from the jack, bowls in the head around the jack are what win games. There are times in any game when it is beneficial to move the jack to a position where you have multiple catchers. This can also be dangerous if you chip the jack rather than picking up and following, so be careful. You should only concern yourself with those things over which you have control. If you have confidence in your own ability to play any shot you are asked to and focus all your mind on playing those shots you need not worry about what your opponent is likely to do, let them worry about that. As part of a team you need to support your fellow team members, applaud good shots, don't knock poor shots - nobody tries to bowl badly. Be aware of how your rink is doing on the score board and observe how the other rinks in your team are doing. If one is down, lift your own game to cover the shortfall and give the other rink your encouragement to improve their position. This club, as a whole, seems to resent suggestions of training, it is only provided to improve your shot making ability and improve your performance, not to change the way you deliver your bowl. There are clubs where, if you don't attend training you don't play. Good luck during the pennant season and remember the old sporting adage:-
"By failing to prepare, I am preparing to fail".

Good bowling and enjoy
Ron

Lady Presidents Report

Despite the squally winds and rain our 75th Birthday was still celebrated. Our ladies were in the club house filling in the morning playing cards. Many enjoyed the brainteaser competition organised by Kay Hodges.

The rain also brought an opportunity to enjoy a chat and a relaxing catch up with friends. Many thanks to our providore, Margaret McGregor and her helpers for the festive table decorations. They always do a superb job.

I would also like to thank anyone who contributed in any way to the days success, in particular Vince Sullivan who risked life and limb to secure the shades which had been blown off their supports, which initially presented us with an anxious situation.

To those who were unable to attend due to health reasons our thoughts are with you and would like to wish you all a speedy recovery.

Club competitions are continuing and are on schedule so far. We are endeavouring to have coaching and practise for Pennant players on Mondays at 9am.

Once again we have Paul Hendricks from Bowlers Paradise - Sunshine Coast coming to visit our club on Thursday 9th July. So make sure you get down to see his extensive range of bowls gear.

Congratulations to our 2015 Club Pairs Champions, Chris Lewis and Alice Makepeace. Well Done ladies.

Happy Bowling everyone

Camels Corner

Welcome to the mid-year wrap up from the Camels. Before we get into the latest results I think it's fitting that we make mention of the fact that so many Camels bowlers are making their mark on the rinks in various competitions, most notably the novice club championships held recently, with the last 8 all Camels. By the time this newsletter is out we will be down to the final so good luck to two of the finalists! Whilst on the topic of new bowlers making their mark and having a go, well done to Shaun (Stiffler) Wheeler for his efforts in the Australian open. Playing against some well credentialed bowlers Stiffler held his own just missing out on progressing through by 1 shot in his 3rd game!

May 31st Camels hosted Pottsville. These games are always tight and today was no different with every rink competitive. Camels ended up victors 146-133. Prize winners on the day were Clive McKenzie, Ray Kennedy & Trevor Webster.

June 7th saw the Camels mix it up a bit with Wally, Mick & Yogi putting on a magical mystery tour! As we all boarded the bus Wally announced that we were heading to Nimbin to play State Of Origin bowls QLD V NSW!

The day turned out to be one of the best we've had for a long time with plenty of laughter on the greens! Must be something about the air quality in Nimbin, everyone just seemed to have a smile on their face all day! With Camels players mixing in with the locals, depending on which state you represented, everyone let their hair down and had a great day! It is fair to say the locals enjoyed the day as much as we did, particularly their President, watching him try and get his last few bowls away was hilarious!

From the laughter coming from the boys on the return trip to Burleigh this event is sure to be locked in as a regular for the Camels from now on. On the rinks QLD just got over the line winning by 3 shots over NSW.

June 14th Camels Home game hosting Macleay Island.

The Macleay Island crew travelled down the motorway and came with plenty of intent bringing a number of their better lady bowlers to mix it up against the Camels. This strategy almost proved a master stroke with two Camels teams being blown away as the ladies led them to big victories on 2 rinks. In the end the Camels won the day 113-105

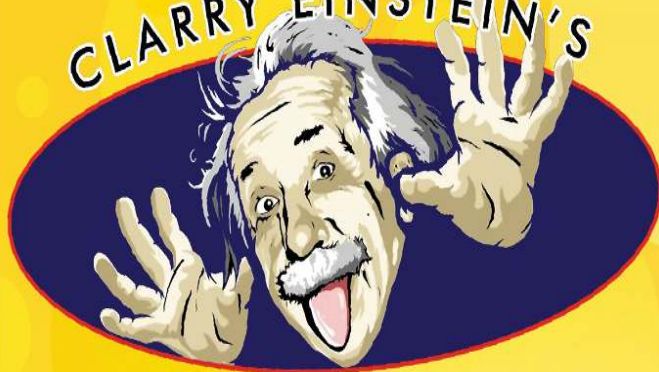

CAMELS PLAYER IN PROFILE **Denny Edwards**

Denny is hard to miss around the place with his gregarious & outgoing nature making him someone every new member gets to know pretty quickly! Denny is another bowler introduced to the game by Wally, convincing him to come and have a Sunday game & it wasn't long before he became a regular face around the bowls club. Denny is a dedicated member of the Camels, holding the record for most attended home & away games by any Camels bowler over the last 3 years!

As anyone who has played bowls with Denny knows well he loves to drive, in fact he's now somewhat famous for it! Well I can tell you he does have a draw shot in him, with the game on the line & one bowl to come, Denny pulled off one of the best draw shots to win the game. With all of us on the bank fully expecting him to drive the reaction he got was priceless!

Roll over

Sitting on the side of the highway waiting to catch speeding drivers, a police officer sees a car putting along at 22KPH. The officer says to himself "This driver is just as dangerous as a speeding driver", so he turns his lights on and pulls the driver over. Approaching the car, he notices that there are five old ladies, two in the front and three in the back.. Wide eyed and white as ghosts.

The driver obviously confused, says to him " Officer, I don't understand, I was doing exactly the speed limit. What seems to be the problem?"

"Ma'am," the officer replies, " you weren't speeding, but you should know that driving slower than the speed limit can also be a danger to other drivers."

"Slower than the speed limit? No sir, I was doing the speed limit exactly... Twenty-two kilometres and hour!" The old woman says a bit proudly.

The Police officer, trying to contain a chuckle explains to her that 22 is the highway number, not the speed limit. A bit embarrassed, the woman grins and thanks the officer for pointing out her error.

"But before I let you go, Ma'am, I have to ask.. Is everyone in this car ok? These women seem awfully shaken, and they haven't made a peep this whole time," asks the officer.

"Oh, they'll be all right in a minute officer. We just got off Highway 189..."

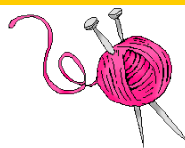

To be happy with a man, you must understand him a lot and love him a little. To be happy with a woman, you must love her a lot and not try to understand her at all.

A guy who owned a bar won the lottery and to thank his customers he sold all drinks for a quarter. Two fellas walk in and each orders a beer. That'd be 50 cents, says the bar owner. "50 cents! I can't believe it." says one of the customers. So the bar owner explains why he does this. Anyway, the two fellas order a couple of more rounds: double scotch on the rocks each and then brandy. Each time it's just a quarter a drink. As they're drinking their third drinks, they notice three people at the opposite end of the bar and they're not drinking anything. They're just sitting there, chatting. One of the customers leans over to the bar owner and says, "What's with those guys? How come they're not drinking?" Oh, they're lawn bowlers." answers the bar owner. "They're waiting for happy hour."

Fabric Snap bags

You will need:

Fabric
Sewing Machine
Tape measure
Screwdriver
Old Scissors
Electrical tape

Step 1.
Cut two pieces of fabric to be the same size. 6" x12" is a good size. Then place them right sides together.

Step 2.
Sew the ends with a 1/4" seam then flip it so the right sides are out. Press with an iron.

Step 3.
Remove screws from tape measure and remove the back carefully as tape can unravel.

Step 4.
Using bad scissors (they'll never be the same) cut your tape to the length you need (5.5" if making a 6" wide bag) and round the corners. Then wrap ends with tape.

Step 5.
Make a casing for the tape and slide it in. To work right, the back of the tape measure needs to be towards outside of the bag.

Step 6.
Fold right sides together and sew up the sides. Zig zag the edges to keep them from fraying, and then turn the bag right side out.
