## Message from the Chairman

Welcome to our new Board members Diane Pickett, Noel Hodges and Brian Bottrell. I am pleased to report that our application for a grant of \$7,200 from the Queensland Government Sport and Recreation Service Grant for the provision of numerous sets of coloured bowls to support our barefoot bowls program was successful.

Planning is underway for the 2016 Australian Open Championships to be conducted here on the Gold Coast in June. Our Club involvement will centre round the allocation of Monday and Tuesdays during the carnival. Both #1 and #2 greens are back in service and I'd like to thank Graeme Shillington, Vince Sullivan and the fantastic effort of the many, many volunteers who made it possible to install the rubber matting on the ditch rebound faces and refurbish the two greens. This great Club would be much the poorer if it was not for the work carried out by these volunteers. Our Club air conditioning sensors have been re-located throughout the Club house to provide more efficient air conditioning operation and better temperature control. Wednesday night Trivia has been reviewed and the teams can now only win one round per night. Equal top scorers in each round will draw a card to decide who gets the prize. Club in house cash vouchers as prizes will continue to be awarded to the winners of each round and for the best team of the night. As announced by our Council Presidents, our mat fees will not increase and additionally there will be an increase in prize money for our bowling members.

Our Club car parking issues are being addressed on your behalf by Noel Hodges and Peter Hamilton with the Gold Coast City Council. Significant research into the drafting of necessary legal and operational amendment to our Club Constitution and Bylaws is well underway. Amendments to various Queensland and Commonwealth Government Acts of Parliament and their associated Regulations, Queensland Liquor Licensing, Queensland Work Place Health and Safety and Bowls Queensland which affect the operation of 'not for profit incorporated clubs' which encompass privacy, discrimination, harassment, smoking DOSA, occupational health and safety etc. have impacted on our current Constitution and Bylaws. A Club Extraordinary General Meeting (EGM) will be convened on Monday 18th April 2016 at 9am for voting on the applicable special resolutions. Notices will be posted out and a detailed hand out will be prepared and distributed a month before the EGM to afford our members the opportunity to comment on the proposed amendments. The sealing and painting of the tiled roof section of the Club will be brought forward to this year due to a continuing leak through the eastern section porous tiles.

Finally, with much sadness and on behalf of members and guests, I would like to pass on my sincere thanks to Kristy Gilfillan as she has left the Club. Kristy has worked here for the past 9 years and has given dedicated service and assisted in no small way to the efficient running of our Club administration. She will be dearly missed. I would also like to congratulate Kristy on the birth of her new baby girl Zahlia Rose on 26th January. Mum and bub are healthy and doing well. Wishing Kristy and the family all the best on their new safe arrival.

## Saturday Social Bowls

On Saturday 12th December we had our windup Xmas Party. Unfortunately due to rain we had to cancel our bowls

(except for four diehards, who I will not name!!)

Despite this set-back a delightful Morning Tea was enjoyed by all who managed to venture in.

Everyone brought a plate (not empty!) and a festive atmosphere and friendly chat evolved.

Hazel was given a gift voucher from all the girls for her extra-ordinary Morning teas and Phyllis Sculley and Margaret Huxley were thanked with boxes of chocolates for their very hard work throughout the Year.

It is a combined effort to run these Saturday Social Mornings and anyone who wants to join in is most welcome.

Karen and Hazel.

## Coaching Notes by Ron

And so another year begins; a very happy, safe and healthy year to you all. This is a good time to reflect on your game and your goals in the sport for the coming year. I feel it is important that we all set ourselves goals which can be achieved within the space of a year. You really need to write your personal goals down and refer to them often to see if you have made any progress towards achieving your result. These goals should be measureable and realistic, there is little use saying you will be world champion if you haven't put your foot on the bottom rung of the ladder to take you there.

Realistic step by step is the way to go with each step being within the realms of possibility. I know that training drills can become boring because of their repetition, but they are the only proven way to improve the quality of your delivery and hence you're shot making. Start with standard draw drills and gradually intersperse these with trail shots, running shots and drives. You do need to have every shot in the book at your disposal. Train your body and mind to play all these shots with the intention of proving your increase in ability to play them correctly every time. You really need to keep a scoring log to see improvement and with repetition you will be able to measure your improvement. At any practice session you need to fully concentrate on your shot making with your utmost ability. Don't be distracted by anything which is going on around you and do not over analyse your delivery, just believe in your own ability to play the shots as you intend and allow your body to play the shot as you see it.

Your goals can be met if they are realistic and you train hard and often enough to achieve them. Nothing comes without effort on your part so set your goals realistically and work hard to achieve them. My personal goal is to help as many of our bowlers as I possibly can to improve their ability this year by assisting them with training regimes. If you need help you need only ask and it shall be given. Remember the old saying: "If you only do what you have always done, you will only get what you always did."

Good bowling and enjoy  
Ron

## Lady Presidents Report

We had our first social Thursday bowls on the 14th January. It was pleasing to see that 28 bowlers turned up for the game especially with the continuing hot weather. Good to see our regular non playing ladies back also. I would like to thank the 2015 committee as we look forward to an exciting and challenging 2016 ahead. I know our committee will do there best for the members and club.

It was with sadness we were informed of the passing of Pat Hughes last December. Pat joined the club in 1995 and was a good bowler and club member. Our club competition 4's will start on the 3rd March and I would hope to see all our ladies participate.

Remember if you have issues or problems relating to our club bowls, please see myself or Di Pickett. We will do our best to resolve any issue.

All the best for 2016 and good bowling.

# Camels Corner

Welcome to a new year! Feb 2016

A happy new year to all from the Camels let's hope 2016 is all that you hope for!

The Camels hit the ground running in 2016 with our annual bring a friend day on Sunday Jan 4 with 12 visitors joining the crew for a great day of bowls!

Bring a friend day is a fantastic way to introduce potential new members to the great game of bowls! In typical Camels fashion it wasn't long before most of the visitors decided to join and become full time Camels. It is worth noting that bring a friend day is really all about getting over the stereo type that bowls is for retired people in whites, something I for one had as a preconceived idea when Wally invited me along 2 years ago! The game is a great way for people to get together, no matter your skill level, and make new friends enjoy a new sport that most have only ever experienced with a roll up with the odd barefoot bowls game! As regular bowlers will tell you it's a fantastic way to continue your competitive sporting nature and learn a new set of skills!

So to all the new members we say a big welcome and we look forward to watching you improve and who knows we might see a few in club bowls tournaments in the future and or represent Burleigh in district pennants events, as quite a few new Camels members have done in recent years!

*Darcy, Ronnie, Tas with our regular Camels blow ins Fast Eddie & Buster in the back-ground!*

As we kick off the New Year we welcome our new Camels President Yogi Thompson, voted in with a landslide majority! Lol. Outgoing President Wally definitely left his mark on the Camels during his reign with impressive growth in new members over the last few years.

Well done Wally you should be very proud of your time as President, the Camels social bowls club has grown into a solid group of regular club bowlers!

In fact, as I see it, the massive numbers of over 40 regular Camels turning up for Sunday games is a testament to the big fella, it was through continuous efforts of inviting people to come and have a game with the Camels on a Sunday, that others have been inspired to follow his lead! Whilst on numbers Winston Armstrong, a long-time Camels member, said over a beer after our Jan 17<sup>th</sup> game, "You know I can remember only a few years ago when the Camels would be lucky to get 20 to a Sunday home game! have a look around at how many guys there are in blue shirts! I reckon with the number of new members joining we will have 50 regulars turning up on a Sunday to play with the Camels"

On that note, with the increase in numbers turning up each week, a reminder to everyone make sure you have your name down on the sheet, our new games co-ordinator Ian Spackman has a big job on his hands trying to put everyone into a game on Sundays, if you have to drop out at late notice or your bringing a friend could you at least ring someone prior so Spacko can get us underway on time!

We regularly have a player profile however this month I decided to forgo that and tell you a story Ray Kennedy shared!

On Friday 15<sup>th</sup> Jan a Lady was parking her car out the front of the bowls club and as she opened the door to get out she dropped her mobile phone down the drain! As anyone who has lost a phone will tell you that is a major! Just ask Cam Hilton he's a professional at it! In a panic she came into the club looking for help, Ray and David Kennedy went out to see if they could assist but realised the phone was 12 or 15 feet down inside the drain! Denny Edwards, who was sitting outside, saw what was going on a jumped over the fence to offer some help! He told the women to move her car back off the grid and calmly lifted the grate up and proceeded to climb down into the drain to retrieve her phone! Obviously it was a long way down, but he managed to find it and the women got her phone back! The boys had to help Denny climb back out! not only is Denny a real character around the place but he's also credit to the club and the type of person who would go out of his way to help someone in need! Well done Denny you're a hero!

# MENS MANOR

©RonAtkinson2008

Harry was sick and tired of being constantly badgered by his wife Barbara for spending so much time at the bar. Hoping it would help matters, Harry invited Barbara along with him. "So what would you like?" Harry cordially asked, as she took her seat next to him. "Oh I don't know" Barbara replied, "I guess I'll take the same thing as you." "OK" said Harry to the bartender, "we'll take two Johnny Walker's on the rocks!" Barbara barely took a sip of the drink before she started gagging "Oh my gosh! Get me a cup of water! This stuff is horrible! How do you drink this garbage?" "See?" said Harry "and you think I come here just to have a good time?!"

"Sugar why don't you sit down by the table and we'll start supper." Said Dorothy to her Husband of 50 years. "Sure thing," said her husband settling himself down. "Now darling, would you like the soup first or the salad?" Questioned Dorothy. "Umm I guess I'll take the soup."

He responded. After a whole meal of one endearing term after another, their guest Bob couldn't contain his curiosity any longer. Bob snuck into the kitchen and asked, "Dorothy do you always talk to your husband like that?" "Bob, I'll be honest with you," Dorothy replied. "It's been five years now, I just can't remember his name, and I am just too embarrassed to ask him!"

A boy asks his granny, "Have you seen my pills, they were labelled 'LSD'?"

His granny replies, "Forget the pills, have you seen the dragon in the kitchen?!"

### Book Jewellery Box

#### Materials:

- Old Book
- Exacto knife
- Mod Podge
- Small Paint Brush
- Pencil
- Hot Glue Gun
- Silk flowers of your choice.

#### Method

1. Open the book and draw a rectangle leaving 1/2-1 inch border all the way around the book.
2. Next, using your exacto knife cut a rectangle using the lines already drawn. (You will repeat this step multiple times because of the thickness of the book)
3. You will notice that your book pages won't line up exactly. I think it gives it a bit of a vintage look!

4. Once you have cut all the way through, leave the cover to book up and start Mod Podging every few pages together as well as the outside of the pages and inside of the newly made box.

5. Using your Hot Glue Gun, glue some fake or dried flowers to the top of the book.

6. Once the Mod Podge is dry, you may add some beautiful jewellery to make this project complete!

## Recipe Room

### Avo and Prawn Salad

#### INGREDIENTS

- 500g peeled green prawns (tails intact)
- 1 fresh red chilli, finely chopped
- 2cm piece fresh ginger, grated
- 1 garlic clove, crushed
- 2 limes, rind finely grated, juiced
- 60ml (1/4 cup) extra virgin olive oil
- 3 avocados
- 1/3 cup fresh coriander leaves, chopped
- 1/3 cup fresh mint leaves, chopped
- 1 1/2 tablespoons finely chopped fresh chives
- 60ml (1/4 cup) Coconut Milk
- 2 tablespoons water
- 450g papaya, deseeded, into wedges
- 1 iceberg lettuce, cut into wedges
- 2 teaspoons honey
- Toasted macadamias, chopped, to serve

#### METHOD

##### STEP 1

Combine the prawns, chilli, ginger, garlic, rind from 1 lime and 1 tbs of the oil in a bowl. Season. Set aside to develop the flavours.

##### Step 2

Meanwhile, coarsely chop 1 avocado. Process with the coriander, mint, chives and 2 1/2 tbs lime juice in a food processor until almost smooth. Add the coconut milk, water and 1 1/2 tbs of the remaining oil. Season and process until mixture is smooth and well combined.

##### Step 3

Cut remaining avocados into wedges. Drizzle with a little of the remaining lime juice to prevent discolouration. Arrange with papaya and lettuce on a serving plate.

##### Step 4

Combine honey and 1 tbs of the remaining lime juice in a bowl. Heat the remaining oil in a large non-stick frying pan over medium-high heat. Cook prawns, turning, for 4 minutes or until prawns change colour and are cooked through. Transfer to a plate. Drizzle with the lime mixture.

##### Step 5

Top the salad with prawns. Spoon over green goddess dressing. Sprinkle with the macadamia and season.

#### Strawberry Limeade

Make simple syrup: Dissolve 1 cup sugar in 1 cup water in a saucepan over low heat; let cool. Combine with 1 cup lime juice, 2 cups water, some frozen chopped strawberries and ice.
