

# BOWLING NEWS

APRIL 2017

## **Message from the Chairman**

### **Club Trading**

I am concerned that after 6 months of this financial year the Club is currently trading marginally in the red and surviving on accumulated reserves. In recognition of our 'flat' trading, the Board of Management has since December, cut all spending except for our normal operating costs and ongoing repairs and maintenance to our Club and equipment.

Thanks to the significant efforts being put in by the Board members and various Club Committees on your behalf we are endeavouring to compete against the increasing local licensed outlets and community clubs.

Whilst our patronage has increased primarily due to our bare foot bowls, bi monthly shows, the monthly rock and roll shows, Wednesday and Friday night raffles and member's draws, weekly trivia and improved customer service, unfortunately the available dollars to spend by our local populace will only spread so far.

Based on this current 'flat trading' trend, the Board Treasurer and I are of the opinion that at best, the Club by September will trade marginally in the black. In these very trying times it behoves on all of our members to support their Club in order to help reverse this ongoing trend.

### **Club Air Conditioning**

We have received the air conditioning engineer's report and recommendations and were pleased to learn that we can achieve our Club air conditioning aims at a reasonable cost.

Briefly, our existing air conditioning plant is capable of servicing our Club for several more years.

The major influx of hot air through our external Club doors can be significantly reduced by ensuring the kitchen exhaust hood and make up air are simultaneously switched on thereby maintaining a slight pressure differential within the Club.

The different temperatures within the Club and the recycling of stale internal air can be overcome by introducing outside air via our two air conditioning systems.

The other area of concern is the gaming room which will require the installation of two split units to combat the heat generated by the gaming machines and to provide a constant cool temperature throughout the gaming lounge.

These two minor upgrades (kitchen exhaust and outside air) and the installation of gaming room split systems will need to be carried out before next summer.

### **Number 1 Green**

Number 1 green will be back in service from 1st April. On behalf of our bowling members I would like to take this opportunity to thank Trevor, Vince and Keith for their outstanding efforts in restoring not only the green but the surrounds, garden beds and shades – well done.

### **Termites**

Earlier this month our vigilant bar staff discovered that some termites were devouring a XXXX Gold carton full of beer in the keg area (the beer was saved!!!). Our pest contractor revealed that this was a local infestation and successfully treated and baited the area. However, he noted that the soil in this area was very damp and ideal for termites. Two leaks were detected (eastern end of #3 green and under the Club house, and fixed. Inspection revealed that significant condensation on the under-floor beer pipes was dripping down onto the soil causing the damp soil area. We are currently waiting for advice on how to contain and remove this condensation.

## CONTINUED

Further investigation has found that the current air vents that permit a flow of air through the underfloor area of the Club are far too small and need to be enlarged thereby ensuring a sufficient flow of air under the floor to keep the soil dry.

### Parking

After a lot of effort by several members of the Club who lobbied to strike a parking deal for our bowlers benefit with the GCCC, it was extremely disappointing to learn on the 20th March that from 27th March the GCCC was introducing changes to parking in Burleigh Heads.

Refer to Burleigh Heads Parking Map.

1. The red areas along Goodwin Terrace, Justin Park and across the road from the Burleigh Hotel are 3 hour free parking.
2. Alex Black Car Park (next to the library) is all day parking for \$5.

# CONTINUED

## Disabled Parking

Disabled **red** permits do not permit on street parking, only off street parking

Australian Parking Permits are for free on street parking for an unlimited time

**Note:** If you require any further information please ask at reception.

**Board Chairman**

## **Coaching Notes by Ron**

There are a number of things you should be aware of when you are in control of the head. The rules say you must be a minimum of 2metres behind the jack, therefore if jack is on T you must be on the bank. Don't stand immediately behind the jack, white shoes and white jack can blend into one, so stand about 1metre to the side of line to jack, this also allows your opponent to have a fair view of the rink and delivery approaching. You can stand within the head if indicating where a bowl should finish, provided you move away as soon as the bowl has been delivered.

Make sure you stand still and don't wave your arms around, this can be very distracting for the player on the mat. If a bowl runs into the head and disturbs bowls it is your responsibility to ensure they do not travel into an adjoining head, always remove bowls which end up too wide and therefore off the rink. Remember that you lose control of the head as soon as the bowl stops, at this point the next bowler can be on the mat and ready to bowl, have a look at the head after his bowl is on the way.

If a bowl in its course touches the jack the rules indicate that it must be marked before the next bowl is delivered, however in social bowls this rule is often ignored but if you are playing pennant make sure you mark before the next bowl. At the change over, end to end of players and

## Continued

skips, don't hang around near the head trying to decide shots while the first skip is on the mat waiting to play. Skips should remember that it is the unwritten rule for the skip who delivers the second last bowl to pick up the mat after the last skip has played.

To save wear and tear on the green surface at the bank ends, only those two players who have control of the head should be on the green. All other members of the team on the bank, I know you see on TV the whole of two teams standing behind the head, that is only for TV. Leads should be aware if the skip want the mat placed in a specific spot and jack delivered to a particular length, so look at your skip for direction before you kick bowls.

When standing behind the bowler on the mat it is etiquette to not stand closer than 1 metre and to remain still and quiet. All the other points of etiquette you were taught when you first started bowls apply at all times and in all positions. Consideration to your opponents and your team creates a great atmosphere in which to play and enjoy our great game.

Good bowling and enjoy. Ron

## Ladies Report

With the sad passing of Val Coleman many of they lady members attended hr funeral at Heritage on 2nd March.

Our ladies competitions have commenced with the Fours. Two teams from our ladies supported Broadbeach for their tournament, good day had by all.

Ladies voted to continue playing from an early start right through with morning tea until the end of March, we will then default back to 9:00am commencement with a break for morning tea at 10:30am.

Pennant commencement has been bought forward to 30th June with play offs 8th September. Vice President June and myself attended district AGM on 27th February and positions for the District are as follows:

President : Helen Espe—Musgrave Hill

Snr Vice President: Marilyn Bradley—Mackenzie Park

Junior Vice President: Louise Wallace—Helensvale

Honorary Secretary: Sue Crumblin—Beaudesert

Honorary Asst. Secretary: Position Vacant

Match Chair: Linda Gardner—Musgrave Hill

Honorary Treasurer: Rosemary Lewis—Beenleigh

Junior Development Officer: Apptment through Mens District

## Continued

### Standing Committees

Coach Chair and Panel are vacant, have been for some years done from Brisbane.

Umpire Panel: Jan Gray—Beenleigh

Match Committee: Jill Buchan—Beenleigh

Assisted by Myrna Farthing

2 other positions—Vacant

Delegate to Bowls QLD: Helen Espe—Musgrave Hill

Media Officer: Stephanie Retchless—Musgrave Hill

To all those ladies not in good health, we wish you a speedy recovery.

Di Pickett, President

## **CAMELS CORNER**

### **Camels Memorial Day 26th February 2017**

The day started as any other Camels home game despite the significance of the occasion. There to celebrate the annual memorial day, 30 odd (and I stress odd) Camels rolled up in their normal unorderedly fashion.

Mick still feeling the effects of a Sunday (including a return bus trip from Ballina) without a drink, made his way slowly into the club. A brave act considering how crook he was. Another superb display at the selection table from Spackers and Magoo and cold beer flowing from 8.30am – what could be better?

The bowls were fierce with at least one game threatening to take the largest losing margin record from Steve Mc, but a piece of smart “last end” calling from Wally averted the danger. Well done Johnny B, Wally and Stifler for turning up and putting a few bowls down in between the mat and the kitty. Just a shame a few were not around the kitty!!! No match for the sharp Winston, BMac and Frank machine who ran away with the main trophy of the day, the Keith Smith Memorial. Well done boys.

Sensing a threat to his record, Steve Mc could be heard cheering Stifler on which in itself didn't seem right. He should have known his support does nothing but produce cellar dweller performances ala the Wo-Manly Sea Eagles!!!!

The other trophy for the day went to Ugly, Athol and Mullet with a tradesmen-like performance. There was a bit of chatter about afterwards with one notable ex-president asking how Ugly has not won on a Friday this year but wins the prize today??? Solid teammates is the answer Wally, and of course Denny as the opposition also helped!

A bit of a sausage sizzle cooked by Doog (no wait, he was supposed to cook but mysteriously got wound up in the game and didn't make it to the BBQ until it was too late), wrapped up the festivities for the day.

All in all, another good day had by all. Camels eeh orh!!!!

Just a note: on our upcoming trips away. Unfortunately, we are struggling to fill the bus on our overnights so need to take a different path for future events. We will be looking for either 21 or 34 players for each trip. If we get 21 but not the 34, we will only book the 21 seater and any additional players will become reserves (or can car pool if they like). If we reach 34 or above, we get the bigger bus. We will also be looking for a non-refundable deposit of \$50 to book your seat, payable the week before. We trust everyone understands and will support the decision. The best outcome is that we get 34 players each trip and we travel in comfort.

### **South Tweed 5 March 2017**

We loaded up the small bus with a selection of camels to challenge the South Tweed Trippers, playing conditions were perfect with excellent greens and plenty of cool refreshments which helped keep up the hydration levels. We were made to feel welcome and always a pleasure to venture over the border for a great morning of bowls.

The camels again did Burleigh proud by coming away with a win 85 – 63 an excellent effort by all herders

### **Home Alone 12 March 2017**

This was to be a visit for the tribe from Lennox Head but due Club Championships and lack of green space we tuned our skills up playing against each other. This is a great opportunity to fine tune skills and share a few stories, laugh and few cold beers. Great morning had by all

## CAMELS CORNER CONTINUED

### **Bribe Island 18-19 March 2017**

This is our first overseas trip for the year heading over to Bribe Island to play the Pirates. We had a good team of 20 bowlers come away for the weekend. Some great bowls were played over the weekend while down South the rain came down we were blessed with only the occasion shower.

The first day we had a dry green and some good results winning 4 of our 6 Teams with a very good standard of bowls. The accommodation was first class and the meals to match. Steak was a big favourite and for desert a giant Sunday on Saturday.

After a good nights sleep we were waken by the sound of rain fingers crossed we get on the greens the weather gods smiled and after a great breakfast at the club the games began. I new our luck would run out and after 10 ends the skies opened, a well earned break was had and a few beers. The games resumed and completed. The hosts made us very welcome and look forward to them visiting Burleigh.

The best herder of camels was Jamo the Sun God.

Look forward to our next Adventure.

Aladdin the Camel herder

# MENS REPORT

## CONGRATULATIONS TO ALEX HYDE OUR CLUB CHAMPION FOR 2017

Alex played terrific bowls during the quarter and semi finals. With the final being no exception. Credit must also be given to Steve Coffey for reaching the finals, with youth on his side, his time will come.

The home and away games for Premier 7's is now complete and I am pleased to report that 3 out of 4 divisions nominated have reached the finals. A magnificent effort! We wish them every success.

It was disappointing that our mid week pennants was cancelled even after reducing the age limit to 50. Perhaps this is indicative of how lawn bowls in general is effected by age and the lack of enthusiasm.

Our ladies club have organised a mixed game of bowls on Anzac Day, see notice board outside games office for details. 1pm start and club uniform must be worn.

We were saddened by the passing of Laurie Stothard early this month. Laurie was a most respected member and to Kerry, her family and friends we offer our deepest sympathy. He will be missed.

To our members that are having health issues at the moment, get well soon!

Good Bowling,

Bruce McGregor, Mens President
