

BOWLING NEWS

HAPPY MOTHER'S DAY

MAY 2017

Message from the Chairman

Club Members would by now be aware of the resignation of Chairman Ray Fellenberg in April. Whilst I have publicly acknowledged some of Ray's contribution to the club, the additional work Ray performed on updates to our club operating guidelines and clubhouse need to be acknowledged: Significant clubhouse improvements, Implemented Customer Service Training for staff, Drafted the Business and Strategic plan, Building and Fire Regulations, Building Classification, Constitution matters, Disciplinary and Complaint process, Workplace Health and Safety. I am sure members will thank Ray for his tireless work to ensure the club stays up to date with the many legislative requirements. Due to the departure of the Chairman a vacancy existed on the Board. Thank you to the Board members for their nomination and support for me to continue in the role until the next AGM of the club. I also thank Allan Cullen for stepping into the role of Vice Chairman and to Don Collins for picking up some of Allan's role on the gaming side. The Board is united in ensuring the club is administered in a steady manner with particular emphasis on managing finances. I would also like to acknowledge all our Premier 7's teams for the excellent job they have done representing our club. Congratulations to our Div 1 side and our over 60's side on bringing home the flags. Well done. Thank you to the many members who were present at Mermaid Beach supporting these sides on the day.

Paul Hynes
Board Chairman.

Financial Report

Half year Financial Report

Unfortunately, not a good report.

Our Trading result for the year to date shows a net loss of \$61,425 compare to a net profit of \$59,957 for the year previous.

Why? Less patronage, higher expenses, declining membership, less bowlers, expensive repairs/maintenance , higher gaming payouts, declining return from our Raffles, Sponsorship hard to find, higher electricity (failed invertor—warranty claim pending) lack of greenspace restricting our Barefoot numbers. Bar sales are down marginally, Gaming patronage down, Greens income are down. On the other side we have increased advertising in an attempt to attract more patronage, provision for Gaming points, increased costs of green maintenance, provision for “Card It” increased Link Jackpots, provision for RDO’s, additional provision for LSL.

Overall, our income for the period is down \$80,407

Expenses	\$35,961
For net Trading Loss of	\$61,425
Admin earnings are down	\$5,014

To maintain our Club in operation we are making up the shortfall from our accumulated cash reserves.

There is no extravagant expenditure. Our spending is confined to those items necessary for the maintenance and operation of our Club. Capital works are on hold in the meantime.

Financial Report Continued

PROSPECTS

We urgently need a good winter trading period. When it is known that at 31/3/16 our net profit was \$59,957 and at 30/9/16, \$97,742 (or \$37,785 for the second half of last year) if that is the best that we can do, then for the end of this year we are looking at a “red” balance. This shortfall will have to be made up from our accumulated cash reserves.

Don Collins
Treasurer

Coaching Notes by Ron

With the pennant season due to begin in a few months, now is the time to begin some serious training in preparation to representing your club to the best of your ability. I would like to ask if you are "Training to Compete" or are "Training to Win"? Training to COMPETE requires the bowler to be a contributor, but training to WIN requires total commitment by the athlete. The bowler who is training to compete will attend some training sessions and have the occasional rollup, however the bowler training to win will devote more time to playing drills designed for the position in which they will be playing. For example, how many leads practice delivering the jack? This is the most important part of the training for the lead position and the lead should spend some part of every session practicing his/her jack delivery technique. Unfortunately the idea that the lead position is where you put your weakest player is still prevalent in many clubs. In any game, the lead must be your most consistent draw bowler. If your lead is wayward you will consistently be playing catch-up bowls. Remember the team most likely to win is not the one that plays the most brilliant shots but the one that makes the least mistakes. So how can a lead become proficient at his/her work? Firstly they should become proficient at delivering the jack over all distances, you should be able to place the jack within a mat length of the position indicated by your skip. At training you should deliver to a target, perhaps one of your own bowls, and keep a record of your margins to determine improvement. You should regularly do a 40 bowl test which records scores of bowls within a mat length of the jack. You should not accept a result less than 28 bowls (40%) as being an acceptable result. If you are to be proficient at your task at least 14 bowls (70% of 20)

Continued

should be the first bowl you deliver. The higher the percentage of first bowls drawn to the jack, the greater chance of having first shot. To increase the number of first shots you need to practice with two bowls and two jacks place at different lengths, drawing only one bowl to each jack. If you are intent on improving your drawing ability, any bowl not drawn within the designated area should be retrieved and redrawn. Do this often enough and you will concentrate on your shot much harder. One metre is suggested as the minimum acceptable distance for a new lead but you must aim for improvement to a maximum of 600mm (a mat length). All leads, regardless of experience and level of play, should practice drawing to a hidden jack, as should all members of the team, as this shot occurs more frequently in a game than any other. The way for a lead to get practice at this shot is to, either set up a head with a hidden jack, or to play two-bowl singles with another lead. When two leads play two-bowl singles your objective should be to get the shot, but if not, make sure you get second shot, never go down two. This applies particularly if your opponent has a resting toucher or a close bowl hiding the jack. Remember that a jack high bowl is not a very safe shot and a short bowl will only interfere with a later member of the team being able to move the shot and jack, a little behind, so up to a metre is a good delivery in this case. Next month I will give you some training suggestions for the other members of the team.

Good bowling and enjoy. Ron

Ladies Report

It was with great sadness we farewell Laurie Stothard, husband of Kerry at a memorial at the Club. All our deepest sympathies go to Kerry and her family, Kerry is now back from New Zealand and we love seeing her smiling face back here again.

The finals of the 4's saw Glenys Kitching, Kay Hodges, Lesley Dunn and Norma Herbertson worthy winners. Well done girls!

The Singles have commenced and all well underway with consistency about to be drawn. Anzac day this year will be run by the Ladies Section with support from the Men with mixed 4's games. Club shirts to be worn.

The Ladies Gala Day will be held on Monday 15th May, Two bowl Triples. The Ladies Council has been working hard behind the scenes to obtain support from other clubs in our District and of course our own Club to make this day a viable success.

Our Ladies Secretary Denise Lowe has handed her resignation in this month, 5 years of service to the Club, thankyou Denise for this effort. Sally Doffkont is now the Ladies Secretary thankyou Sally for putting your hand up to take on the position.

The ladies have commenced bowls on a Thursday at the old time of 9am with a break for morning tea at 10:30am.

Good Bowling and enjoy

T&C Family or group bookings ONLY.
Purchase 3 or more buffet breakfasts
& receive 1 free breakfast for the
mother only.

From 8am - 10:30am

CAMELS CORNER

Pottsville Away 26th March 2017

The day started well with a bus load of Camels travelling south for the challenge against the Pirates. As usual a warm welcome was provided and the Camels responded with a great bowling effort. Most teams performed well except for Denny who was wide of the mark all morning.

Denny would like the selected looking at giving him a stronger side so he can have a better game. The Camels had a win overall well done team.

Home Alone Game 2nd April 2017

The sun was shining and out came the Camels to enjoy the morning. 30 players turned up and fun was had by all time to sharpen the skills. Denny's form continued but this time went one step better managed to be on both losing sides what an effort.

Gap Home 9th April 2017

This is one of our regular challenges and this lived up to it with 36 Camels enjoying a great morning of bowls with lots of close games. Final result was Camels 205 d Gap 135. The team performed well only missing out on two rinks an excellent overall result. THE yearly update Camel 986 v All Comers 736.

Ipswich Home Visit 23rd April 2017

Some great bowling with Camels winning 5 rinks to 2. The team of the week was Greggo, Doog and Shaun, getting up by 26 shots leaving the opposition in their wake. The only low point was one team failed by 15 shots (Will not mention names Wally) The challenge continued of the green with Darcy and an Ipswich bowler having a drinking contest. Darcy came out second but has a chance next time for a rematch. Camels keep up the great work!

MENS REPORT

MENS LOCKER ROOM

WOW what a month we have had!

Our first time entry in the Premier 7s resulted in a remarkable achievement, winning both Division 1 and the Over 60s celebrating \$16000 prize money! We started the finals in Division 1 with a 2/1 win over last years title holders Wellers Hill. We then eliminated Windsor in the Semi Final on Sunday before downing Southport 2/1 in the Final. But what a thrill it was after Steve Coffey won his game and it all hinged on the Pairs, Peter Hickman and Steve Miller winning theirs. Last end and the score is 18/17 Southport leading by one shot and holding one shot on the head. Steve (Migaloo) with the last bowl in his hand played the shot of the century taking out Southports shot and staying for 2 to win. The huge crowd of Burleigh supporters went wild!

Division 1 Over 60s was just as exciting snatching victory from the jaws of defeat in their 2/1 Semi Final eclipsing the reigning champions Salisbury. Salisbury were holding game in the Singles before Vince Sullivan pulled off a magical bowl to claim multiple shots and a 31/29 victory. Vince continued his good form in the final winning 31/25 and Bob Marin skipped the Fours to clinch the title 2 games to 1.

Well done boys!

Our mixed event on Anzac Day was enjoyed by all with the comments made that we should hold more mixed social events. Many thanks to the Ladies section for organizing the day and afternoon tea.

Good bowling
Bruce McGregor, Mens President
