# September Bowling News

*Happy 80th Birthday  
B.H.B.C*

## **Message from the Chairman**

I would like to extend a warm welcome to Justin O'Donnell as the club Secretary/Manager. Justin's many years of experience in hotels and clubs will be of immense value to our club. Justin brings fresh ideas which members will start to see. Behind the scenes, cost saving measures will be introduced, which in the main will be transparent to members.

Congratulations to all Staff who were on duty during the Mayweather/McGregor fight. You were all excellent in your service and attention to Customers and in promoting our club.

Latest news on Greens renovations, weather permitting is:

Green 1. Start renovation 18th September for 4-5 weeks

Green 2. Renovation 16<sup>th</sup> October for the same period.

In line with the second tariff increase of the year alcoholic drink prices have increased. For beer, 10c a pot, 20c a schooner. To help compensate happy hour has been extended and will now start at 3pm in lieu 4pm.

Barefoot Bowls fees have been increased from \$5 to \$8 from 1<sup>st</sup> September. This is very competitive with other nearby clubs.

Loss of members bowls. An unfortunate incident occurred during August where a visitors bowls bags was stolen from the veranda area during the afternoon break. Members are reminded of By Law 29 in our club Constitution. "Each member is wholly and solely responsible for his/her own bowls, bag, associated equipment and all clothes and personal items; and the club shall at no time accept any responsibility for their security, safe keeping or any loss or damage whether or not it is contained in any locker, cupboard or cabinet provided by the club". Please ensure your valuables are in a safe place.

Subscription Fees. Renewal notices are now available from reception. Fees are due by the end of September. The increase in fees has been made necessary by increases in affiliation fees for Bowls Australia, Bowls QLD and our district. The increase is below the forecasted level tabled at the 2016 AGM.

A reminder that loyalty points accrued on members cards must be redeemed by the end of September. Otherwise, they will be forfeited.

I wish all members and visitors good bowling and good health.

Paul Hynes

## **Coaching Notes by Ron**

After looking at some of the psychology of the game over the last couple of months I think it's time to get back to basics. You are trying to achieve a smooth, repeatable delivery. There are five critical elements in doing so and we will go through them step by step.

1. Your grip must be comfortable and sure, the bowl should be held in the finger tips to allow you to have a good feel for it's weight, but must not feel that it is going to fall out of your hand. The preferred grip by most coaches, and probably the majority of players, is the orthodox index and little fingers on the rings beside the running surface, with the thumb on, or just below, the ring. Just below the ring does remove some of the pressure from the major joint of the thumb and is preferred by many players.

2. Your stance on the mat should be such that you can stand with your body facing along the aiming line repeatedly. This is necessary because if the mat is moved up or back on the rink you don't have a fixed aiming line other than the one dictated by your angle to the centre line from your feet. If you wish to prove this, place the mat on the T and the jack on the T and draw a shot to the jack, move the mat to the 21 metre mark, place your feet in precisely the same place on the mat and deliver to the jack. If you have adjusted your

weight correctly you will draw the shot.

3. Be completely balanced on the mat, if you are not as you start your backswing, stop, stand, and restart your delivery swing. As you take the step forward, again if you don't feel balanced, stop, stand, and start again.

4. As you are swinging your arm into your backswing, make sure you lock your elbow and wrist at about the vertical and complete your backswing with a rigid arm and your delivery swing with the same rigidity of arm. Hold this position in the follow through, watch the bowl travel roughly a third of the way up the green before coming up and stepping forward. The old adage was, "go down, slow down and stay down."

5. as you step forward make sure you are stepping straight ahead without bringing the toe of your stepping foot across your line as this will twist your body off your aiming line and produce a narrow backhand or a wide forehand delivery. Above all practice with an aim in mind, if you are having trouble with a particular shot, practice this shot repeatedly till you are comfortable playing it, but still practice the shots you play well. If you need help deciding on a training regime, talk to a coach who can help you develop the program which will suit your needs.

Good bowling and enjoy. Ron

## **Ladies Report**

We have been extremely fortunate to have had our usual influx of Southern visitors and many familiar faces, so good to see them coming back year after year which has helped us fill our greens. A big thank you to you all and hope that you enjoyed your time with us.

The ladies held the Past Presidents morning tea on 24th August.

Club championships are well on their way with Margaret Huxley, Jenny Moore and Dorothy Hanlon winning the Triples. The final of the B Grade Pairs was played on 17th August and won by Val Bourne and Karen Masters. Well done to those ladies.

Pennant season is into the 7th round and as at the end of that round Division 4 is sitting on top of the leader board with Robina each on 16 points. Well done to all our Pennant players and good luck in the following rounds.

The 80th birthday celebrations arrangements are well under way some changes to the format with 7 ends commencing at 9am and finishing at 3:30pm. Please ladies put your names down and the men will fill the vacancies in the teams, we need to support our birthday celebrations

Good wishes to those ladies who are not feeling the best, speedy recovery to you all.

Di Pickett, Ladies President

## MENS LOCKER ROOM

Spring is in the air but we could not complain about our winter bowling conditions they were almost perfect.

Many of our annual visitors have now gone home the likes of Sid Rimmer who has travelled across from New Zealand for the past 31 years, sadly this has been his final visit, we thank Sid and his wife for making Burleigh Bowls Club their second home.

Pennant season has come and gone, but unfortunately our results were somewhat disappointing by both the players that gave their all and the selectors who did a sterling job. We will improve next year.

Club championships are almost complete the most recent winners are;  
Club Triples: Alex Hyde, Michael Landon and Mark Foley.

Veteran Pairs: Bob Marin and Bob Mullens .

Veteran Singles : Charlie Vella for the 7<sup>th</sup> time, well done Charlie

Handicap Singles: Stuart Ireland

Presentation day will be combined with presidents day on Saturday 9<sup>th</sup> October. All members are invited and the attendance sheet is in the locker room. Bowls at 1pm, followed by drinks and nibbles at 3.45pm.

Don't forget our 80th birthday celebrations on the 16<sup>th</sup> and 17<sup>th</sup> October, a great day of mixed bowls on the Saturday with 5 a side and we party on Sunday with terrific entertainment arranged, lots of fun and fellowship to be enjoyed in September be part of it.

Good bowling
